ABOUT THE DIRECTOR

Mrs. Fruhling started teaching in 1936, married, raised three children, and returned to teaching in 1955. Since returning she has directed numerous school and church singing groups. These groups have traveled widely throughout the state and some have appeared on T.V. In addition to her choruses and vocal groups she has found time to help produce the "Mikado", "Messiah", and Leonard Berstein's Mass", within the community. She has produced "Charlie Brown" twice, "The Wizard of Oz" (musical version), "Mary Poppins", "Sound of Music", and a Hawaiian Show (for a 3 year T.V. run annually)-using elementary and secondary students. For relaxation she enjoys mountain climbing, is a ham operator, and takes groups camping. She also finds time to paint in oil and water.
